

Information in Context

Clara gives you all the support you need to do your job better—organizing information, providing new ways to understand it, and being the librarian researcher you wish you had.

INFORMATION IN CONTEXT

- Easy-to-use, intuitive system gives you the big picture
- Integrated GIS and information visualization show data connections and provide a new way to view information
- Ask Clara—if our system doesn't know the answer, our world-class researchers will find it and deliver it to you
- Clara stores your data; our team organizes your information

FLEXIBLE, ADAPTIVE PLATFORM

- Sign on once to access integrated services and communication tools
- Intuitive, flexible document management system that you control
- Communicate and collaborate in a secure digital environment (chat and messaging)
- Public (AWS) or private cloud hosting

USER-DRIVEN PRODUCTS AND SUPPORT

- Active outreach to understand your needs and build thriving communities
- Dedicated, responsive customer support rapidly solves your problems
- We listen to you and evolve to meet your needs through iterative process and software improvements
- Our people are committed to the success of your project and work as part of your team
